Administrative Messages

TO THE GRADUATING CLASS

For two-thirds of your life you have been associated with schools and have shown cooperation, leadership, outstanding abilities and wisdom. At times you have shown resistance, indifference, and lethargy.

Soon graduation will set you free from the rigors of the Okanogan Schools. It is time for you to stop and take a long look at yourself with respect to your future. "'Tis the set of the sails and not the gales" that make your future glow.

Please call upon us if we can be of service to you. Best wishes for your future.

The school term just ending leaves us pleasant memories of a successful year. I hope each of you will remember that this success came from the continual teamwork and cooperation of all of you in your various activities.

Many of you have shown remarkable improvement in citizenship and constructive leadership. In doing this you have given others added incentive to work toward improved citizenship. If you are among this group, I congratulate you, for you are well on your way toward taking your place as a successful citizen in this nation of ours.

Good luck to you who are leaving us; we have enjoyed you. I wish all a pleasant summer. Have a good rest and prepare to return in the fall with the idea of making next year even better.

Sincerely,

SENIORS
